APPLICATION FOR PERMIT TO MANUFACTURE AND MARKET NEUTRAL SPIRITS
FROM MATERIALS OTHER THAN CEREAL GRAINS AND PRODUCTS THEREOF

The Secretary of Agriculture:

The undersigned, a party signatory to the Marketing Agreement for the Distilled Spirits Industry, hereby applies for a special permit under said Agreement to manufacture and market neutral spirits produced from materials other than cereal grains and products thereof, to be used for the manufacture of gin or the rectification of distilled spirits during the period commencing December 13, 1933, and ending March 15, 1934 (hereinafter referred to as the initial period). In support of this application the undersigned sets forth the following facts:

1. Name of applicant:
2. Location of plants in which the neutral spirits are to be produced:
3. Federal Alcohol Control Administration permit number of applicant:
4. Raw materials used or proposed to be used in the neutral spirits to be produced or marketed, and country of origin of the raw materials:
5. Quantity of neutral spirits produced at above plants during year ending December, 1933, and monthly average (specify quantity produced from each type of raw material):
6. Estimated capacity of above plants to produce neutral spirits during initial period:
7. Quantity of neutral spirits on hand at time of this application (specify quantity produced from each type of raw material):
8. Estimated quantity of neutral spirits produced from each type of raw materials named under item 4, necessary to meet trade requirements of applicant during initial period:
9. Length of time above plants have been in active operation:

10. What grains would be available for use in above plants, if converted into grain alcohol plants:
11. What grain would be principally used in above plants, if so converted:
